

ANDY MARLOR

Chartered Civil Engineer
Nottingham Trent University
BEng (Hons) Civil Engineering, Grade 1st Class
Member of the Institution of Civil Engineers
Member of the Institution of Structural Engineers
Associate since 2005

Personal Profile

Andy joined the firm in November 2003 with the specific brief of further developing the mainstream structural design potential of the practice. He had previously gained invaluable experience as a Structural Steelwork Technician before qualifying with a 1st class honours degree in Civil Engineering in 1997.

Andy is a Chartered Structural and Civil Engineer and has managed a broad range of projects including the structural design of complex educational buildings and state of the art industrial/office developments up to a value of £30million. Since joining the firm, Andy has assembled a skilled team of Technicians and Engineers who provide us with the ability to undertake any projects, large or small.
